2. Your medical insurance carrier and its agents;

4. The physicians and professionals to whom we make referrals, including the pathologist, radiologist, and anesthesiologist, and their staff.

We CANNOT bill your insurance company and/or collect any money from them on your behalf unless we have your permission to disclose such information to them. BILLING POLICY

We would like to prevent any misunderstanding about our billing financial policies. Please let the office administration know of you would like to discuss any of the following policies in more detail

If you belong to an HMO, or any other restricted insurance plan, you MUST let us know before you are treated. Some of these plans limit your choice of doctor or hospital, and some exclude particular medical conditions. If you need surgery, we will try to select the hospital and doctors from your plan, although this might not always be possible or practical, particularly with the pathologist and the radiologist. Please provide our business office with all of your insurance information before you are treated, and we will help you fulfill the terms of your policy so that you can obtain maximum and timely reimbursement.

We will send you monthly statements until your insurance company has paid, regardless of our provider status. This allows you to verify that your insurance company was billed correctly, and to see how long they take to pay. If you have more than one insurance policy and the benefits are not coordinated, each company will determine benefits separately. In this situation, it might happen that we have different agreements with different companies. We will then collect benefits from each company and reimburse you any amount above billed charges.

Starting January 2001, you will also need to complete a separate form, "Privacy of Medical Records," so that we have a clear understanding of those individuals and parties whom you intend to have access to information contained in your medical record, and those whom you do not.

We accept Visa, MasterCard, and Diner's. There is a $25 charge for all checks returned by the bank. If you would like us to bill your insurance company on your behalf, please complete the Assignment of Benefits sections below. Please sign below once you have had a chance to review our billing policies.

I AUTHORIZE MICHAEL RICHMAN M.D., AND STAFF TO PROVIDE ME WITH REASONABLE AND PROPER MEDICAL CARE.

I UNDERSTAND THAT I WILL HAVE AN OPPORTUNITY TO ASK QUESTIONS AND TO HAVE MY QUESTIONS ANSWERED, BEFORE I DECIDE TO PROCEED.
